RESPONSE TO NOTICE TO FILE MISSING REQUIREMENTS

Sir:

This paper is submitted in response to the Notice to File Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US), mailed February 10, 2006 ("the Notice"). The Notice requires submission of a declaration of the inventors and payment of the late oath or declaration surcharge. Applicants submit that the Notice was issued in error and should be withdrawn for the reasons discussed below. A copy of the Notice is enclosed.

The present application is a national stage of a PCT application that was filed with a Declaration of Inventorship under PCT Rule 4.17 for meeting the declaration requirements for US national stage applications. As a courtesy, enclosed is a copy of the signed PCT Power of Attorney and Declaration of Inventorship under Rule 4.17. Also enclosed is a copy of the publication bibliography for corresponding International Publication Number WO 04/055779, published on July 1, 2004, which indicates the Declaration of inventors was filed under PCT Rule 4.17. Accordingly, Applicants submit that the application as filed meets the requirements for an oath or declaration of the inventors. As such, Applicants respectfully request withdrawal of the Notice and acceptance of the national stage application.

No fee is believed due, as Applicants believe the Notice was issued in error. However, if any extension of time for the accompanying response or submission is required, Applicants request that this be considered a petition therefor.
